Supervisors please note:
By signing off on this proposal you agree that
1) the candidate is suited to the proposed research tasks
2) the resources are, or will be, available to complete the project
3) it is reasonable to expect project completion, report preparation, submission and assessment by the end of semester
(or the subsequent semester in the case of part-time projects).

Candidates please note:
1. Project reports are marked by both Supervisor and Co-supervisors. Please submit two copies of your final report.
2. Project reports should be submitted before the final exam period. You must seek written approval from your supervisors for any extensions.
3. The Graduate School of Biomedical Engineering may advise some candidates that they are not suited to undertake the proposed research and recommend alternative study options.
