HOW DO I ENROL?

- CVEN4951/4952/4953 (Research Thesis A & B & C) is offered to students commencing their thesis from T1 2019 onwards
- Entry requirement is a minimum University WAM of 70 and completion of 126UOC
- Only after the application is signed by a supervisor, can you enrol into CVEN4951 on myUNSW. This form then needs to be uploaded to the Student Intranet, under the tab 'Submit Thesis Application Form' - http://intranet.civeng.unsw.edu.au/info-about/student-intranet/submit-thesis-application-form. If you do not submit the form, the course may be dropped from your enrolments
- If you do not wish to do a Research Thesis please enrol in Thesis A and B (CVEN4050/CVEN4051)
- CVEN4050/CVEN4051 (Thesis A & B) is another option offered to students in new programs commencing 2015 onwards:
    - In this course students are NOT required to find an individual supervisor.
    - Thesis involves formulating the designs for solutions to open-ended civil and/or environmental engineering problems.
    - Part A involves the formulation of a project plan, project brief and documents, and involves review of various literature. Part B involves the satisfactory preparation and submission an individual thesis addressing the project plan in Thesis A.

Higher Honours is open to all programs in SUMMER SEMESTER 2018/2019 ONLY:

- CVEN4032/CVEN4033 (24UOC total) is offered to students in all programs and requires a higher level of directed research work.
- Entry requirement is a School WAM of 80 and completion of 132UOC.
- Please complete the 'Honours Thesis Application Form SUMMER ONLY' if you want to undertake this option - Higher Honours will not be offered in 2019. CVEN4033 will be completed in T1 2019.
