SECTION 3 – COURSEWORK REQUIREMENT

The Faculty of Engineering requires PhD students to complete GSOE9400 Engineering Postgraduate Research Essentials in their first semester of candidature. For more information on GSOE9400, please refer to the handbook:
http://www.handbook.unsw.edu.au

For MPhil, ME & MSc students, you are required to complete 3 coursework in your first year of enrolment (one of which is GSOE9400). The other courses will be technical postgraduate courses offered by the School. If you wish to enrol in a course offered by Schools other than CSE, you will need to seek permission to enrol in the course from the Lecturer In Charge (LIC) of that course.

You need to obtain your supervisor’s approval for any courses you choose. Please discuss this with your supervisor.

Please list the course you wish to enrol in:
