

School Office Locations and Contact details

Biomedical Engineering	School Office Level 5, Samuels Building (map ref F25) +612 9385 3911 biomedeng@unsw.edu.au
Chemical Engineering <i>(includes Chemical Engineering, Industrial Chemistry and Food Science & Technology)</i>	School Office Room 324, Level 3, Chemical Sciences Building (map ref F10) +612 9385 4366, ChSE@unsw.edu.au
Civil & Environmental Engineering and Surveying and Geospatial Engineering <i>(includes Geoinformation Systems)</i>	School Office Room 407, Level 4, Civil Engineering Building (map ref H20) +612 9385 5033 cven.enquiries@unsw.edu.au
Computer Science and Engineering <i>(includes Software Engineering and Bioinformatics)</i>	Student Office Ground Floor, Building (map ref K17) +612 9385 4329, undergrad@cse.unsw.edu.au
Electrical Engineering and Telecommunications <i>(includes Photonics)</i>	School Office Level 5, Hilmer Building (map ref E10) +612 9385 4000, eet@unsw.edu.au
Flexible First Year Engineering (ENGGAH plans)	Engineering Student Centre Room 112A, Level 1, Ainsworth Building (map ref J17) +612 9385 5201, esc@unsw.edu.au
Mechanical and Manufacturing Engineering <i>(includes Naval Architecture, Aerospace Engineering, Manufacturing Engineering & Management and Mechatronic Engineering)</i>	School Office Level 1, Ainsworth Building (map ref J17) +612 9385 4093, mech_go@unsw.edu.au
Mining Engineering	School Office Room 159, First Floor, Old Main Building (map ref K15) +612 9385 5006, mining@unsw.edu.au .
Petroleum Engineering	School Office Ground Floor, Building (map ref K17) +612 9385 5189, tetb@unsw.edu.au
Photovoltaic & Renewable Energy Engineering <i>(includes Photovoltaic & Solar Energy)</i>	School Office Ground Floor, Building (map ref K17) +612 9385 7120, tetb@unsw.edu.au
